

4.1.1 BULGARIA Project Start Press Confer

Date : 01 Jun 2012

Place : Congress Centre Varna (Bulgaria)

Participants: 24 (1 from RO, 1 from TR, 1 from MD and 21 from BG)

At the Congress Centre Varna a press conference was held presenting “ESNET Project activities and expected outputs” and “Seismicity and hazard in Bulgaria and Black Sea region”. There was a big interest from national and local media. The press conference was attended by 5 national televisions, 3 radio stations, 2 news agencies and more than 10 online medias. Number of materials have been published or broadcast by local and national news programs. There was a coffee break and lunch organized for the participants in the press conference.

Documents regarding the press dissemination of ESNET Project in Bulgaria:
